Time to blossom

Summer 2025

→ We look forward
to welcoming you!
penzinghof.at

Dear mountain lovers, here's your new vacation brochure overflowing with the best offers from the idyllic Penzinghof world. First things first: the renovation period is now over and we are enjoying our newly reborn 4-star hotel every day. A real highlight is the new photovoltaic system, which makes us shine every day. We now produce our own clean solar power. This was the next big step in our sustainable philosophy.

What can you experience here with us this summer?

Quite a lot! If you want to discover some of the "hidden" corners of the Tyrolean mountains, the best way is to profit from the new offer: 1x free ascent & descent with the Harschbichl cable car. Cycling enthusiasts will be thrilled by the newly renovated OD bike trails behind the hotel. And hobby shooters will hit the bull's eye with us. We have added new animals to our archery range. Bows and arrows can be rented directly from us.

Our colorful children's program, which takes place twice a week, offers great views for the little ones. Our sauna master has also developed an infusion especially for children. Practice makes perfect if you want to become a sauna lover. Enjoy our outdoor massage offer. Let's go – we look forward to seeing you!

Mountains on the plate

*In our rustic and cosy a la carte restaurant you can enjoy
culinary delights with the best ingredients from our
own farm and from the region.*

**The promise of our
cuisine: naturally
delicious!**

In our Penzinghof world, we live in, with and from the nature on our doorstep. So the seasons help determine what's on our menu: seasonal classics – unadulterated and delicious.

Buying locally is just as important to us. The closer, the better! Most of our tasty quality products come directly from our own farm: fresh eggs every day, the best meat and delicious dairy products such as milk, cheese, butter and yoghurt. We buy fish, vegetables, fruit and bread locally. So-called o-km food with the greatest possible freshness and quality!

From all these pure, original ingredients our kitchen team conjures up culinary specialities that carry the taste of the mountains. Powerful, intense & fresh. Take a seat in the wonderful ambience of our restaurant and let us spoil you (and your palate).

Being there is everything, dear friends!

This is what happens when the aunt of the house is married to a Styrian: our legendary Styrian Weeks, which are not only a firm fixture in the holiday calendars of our regular guests, but are also one of the biggest culinary highlights here in the region. Week after week, we come up with Styrian specialities and prepare a feast for the palate. Not to be missed!

There are also top events for Harley fans, tennis enthusiasts, Gabalier rockers and dumpling lovers. As you can see, there are many good reasons to visit the beautiful Kitzbühel Alps – and here at the Penzinghof you are right in the middle of it all, just 4 km from the hotspots of Kitzbühel and St. Johann.

We look forward to welcoming you!
