ECHT NATÜRLICH GENIEßEN

Heaven on earth

Summer 2024

→ We look forward
to your visit!
penzinghof.at

Hello from Tyrol! The good, the genuine & the natural is what is important to us at the Penzinghof. Here you know exactly where your breakfast egg comes from – namely from the barn around the corner. Most of our deliciously fresh food comes from our own family farm or from our suppliers in the region. The best is right on our doorstep! We are happy about this every day, which is why we preserve our natural treasures and are proud of our sustainable way of life. A warm welcome!

May makes everything new!

And we join in a little bit. So in April/June our head office will be completely renovated! That means: All rooms will shine in new splendour, our reception hall will soon be even more beautiful, more modern and more inviting. Also the legendary Penzinghof “Schatzbar”, where people have been enjoying themselves for over 50 years, will be transformed into a new party treasure.

Curious? Best to book straight away! From the idyllically situated Penzinghof you can start directly into the surrounding mountains. Also at the farm itself has a lot to offer. Discover the many small, relaxing “Penzinghof Worlds” on the following pages.

Mountains on the plate

*In our rustic and cosy à la carte restaurant you can
enjoy culinary delights with the best ingredients from our
own farm and from the region.*

**The promise of our
cuisine: naturally
delicious!**

In our Penzinghof world, we live in, with and from the nature on our doorstep. So the seasons help determine what's on our menu: seasonal classics – unadulterated and delicious.

Buying locally is just as important to us. The closer, the better! Most of our tasty quality products come directly from our own farm: fresh eggs every day, the best meat and delicious dairy products such as milk, cheese, butter and yoghurt. We buy fish, vegetables, fruit and bread locally. So-called 0-km food with the greatest possible freshness and quality!

From all these pure, original ingredients our kitchen team conjures up culinary specialities that carry the taste of the mountains. Powerful, intense & fresh. Take a seat in the wonderful ambience of our restaurant and let us spoil you (and your palate).

Being there is everything, dear friends!

This is what happens when the aunt of the house is married to a Styrian: our legendary Styrian Weeks, which are not only a firm fixture in the holiday calendars of our regular guests, but are also one of the biggest culinary highlights here in the region. Week after week, we come up with Styrian specialties and prepare a feast for the palate. Not to be missed!

There are also top events for Harley fans, tennis enthusiasts, Gabalier rockers and dumpling lovers. As you can see, there are many good reasons to visit the beautiful Kitzbühel Alps – and here at the Penzinghof you are right in the middle of it all, just 4 km from the hotspots of Kitzbühel and St. Johann.

We look forward to welcoming you!
